Mr. William J. McCormick

Dear Mr. McCormick:

A mutual friend of ours sent me a copy of the speech you gave to the South Carolina F.F.V.A. along with some reminder cards you have distributed in the past. I would like to say that this is one of the outstanding speeches I have ever had the privilege of reading.

I noticed at the bottom of the speech additional copies could be secured from you and if this is possible, I would like to get 500 copies. If there is any charge, please bill me and I will pay for them personally.

I am President of the State Horticulture Society this year and I want to give a copy to all the membership of this society.

If you have a mailing list I would appreciate your adding my name to it.

Very truly yours,

Leon W. Miller
